

# ENGEN

## Connect Your Community with English Upskilling

EnGen is offering scholarships to Welcoming America communities.

### WHO IS ENGEN?

Powered by patented AI technology, EnGen offers over **170 workforce-aligned courses** across industries like **Healthcare, Manufacturing, Restaurants, Construction, Skilled Trades**, and more to help individuals improve their English skills and advance their careers.

EnGen is more than just an English language learning platform—it's a bridge to opportunity.

### HERE'S HOW IT WORKS:

25 English language learners will receive **FREE** access to EnGen through our scholarship program. Scholarships will be awarded through a lottery and notified on June 24th.

- Includes **six months of unlimited access** to EnGen's platform.
- Includes **onboarding, multilingual coaching, and live online classes/workshops**.
- Easy application process in multiple languages.
- Registration opens on **April 23rd** and closes on June 6th.

#### Languages supported include through the scholarship include:

Arabic, Dari, English, French, Spanish, Tagalog, Ukrainian, and Vietnamese
